**AS I'VE BEEN SAYING
SINCE THE SPRING OF 2020 ...**

THERE IS NO VIRUS!

DAVIDICKE.COM

There is ZERO EVIDENCE of any “COVID-19 virus” having been isolated and then purified from any patient on the planet, by anyone, anywhere... and thus there is ‘ZERO PROOF’ of “its” existence!

The Whole CoV – 19 Pandemic is ALL ‘SMOKE and MIRRORS’! orchestrated by ‘BAD ACTORS’ or ‘LUCIFERIANS’ with the high probability of ‘BAD INTENTIONS’!

The following written letters are responses from the following governmental and/or institutional officials that were obtained under the “Freedom of Information Act or FOIA from the U.S., India, Republic of South Africa, New Zealand, Australia, U.K., England, Scotland, Wales, Ireland, Denmark, Norway, the Netherlands, Sweden, Spain, European CDC, Slovenia, Czech Republic, Ukraine, Columbia, Uruguay, Italy, Portugal, Brazil, Republic of Colombia, Ilse of Man, Philippines, etc., plus emails from Germany’s Robert Koch Institute (RKI) and several other so-called “virus isolation authors or researchers”.

Re: **Public Record Request BIDLS-2021-140**

Dear Ramola Dharmaraj:

This letter is in regard to the above referenced public record request received by the Massachusetts Department of Public Health (the "Department" or "DPH") on August 10, 2021.

Clarification 2: Isolate means "to separate something from other things with which it is connected or mixed"--Cambridge Dictionary definition.

Clarification 3: This request is not for information on something procured by means of
1) Culturing something,
2) Nasally swabbing something from any randomly sick (with some other disease) or healthy person,
3) Amplifying something via PCR Test (Which its inventor Dr. Kary Mullis has clearly stated is not to be used to diagnose any disease),
4) the Sequencing of something,
5) or the Computer-Generated Sequencing of something.

The Department has no responsive records to your request.

Prior to this, the Office of the Governor of Massachusetts also reported to this FOIA requester that “no records that fall within the scope of (the) request” could be found on their premises, and referenced the Mass. Dept. of Public Health instead as the place to further query. That 8/11/2021 response—to a request identical in wording to this one—from the Governor’s office can be found at Muckrock here.

Additionally, the CDC has now returned a final response (dated 8/11/2021) to this reporter, conceding they have no information related to the purified isolate of the SARS-COV-2 virus on Koch's postulates. The correspondence with the CDC was more detailed, since program staff sought to convince this FOIA requester that viruses could only be identified from growth in cell culture—a deviation from the classic microbiology (and commonsense) requirements for virus isolation—to which this writer responded with a confirmatory letter, all of which will be reported in a separate article, but can be read anytime in full at **Muckrock**here.

It can be stated here that the CDC, by this August 11, 2021 response, is also unable to provide any information on a purified isolate of the SARS-COV-2/COVID-19 virus or Delta Variant and is now directing queries misleadingly to posts of inadequate genome-sequencing information online.

Please note, what is being termed a genome-sequencing of SARS-COV-2 online by many is not an actual genome-sequencing from an actual purified isolate of SARS-COV-2, which has not been purified in isolate at all, as these Health departments acknowledge.

Previously also, the CDC had been queried by Christine Massey and returned a response on June 7, 2021 stating there was no information on a purified isolate of the professed SARS-COV-2/COVID-19 virus.

August 18, 2021:

Arizona Department of Health Services confirmed for Timothy Martin that they have no record describing isolation/purification of any “SARS-COV-2” from any patient sample on the planet, and confuse such with private/protected/identifiable healthcare data:

Massachusetts Department of Health Reports “No Responsive Documents” to FOIA Request for Information on Purified Isolate of Professed SARS-COV-2 ... — by Ramola Dharmaraj:

<https://everydayconcerned.net/2021/08/30/massachusetts-department-of-health-reports-no-responsive-documents-to-foia-request-for-information-on-purified-isolate-of-professed-sars-cov-2-covid-19-virus-delta-variant-forming-basis-for-all/>

September 2021:

An FOIA response from **Spain's Ministry of Health**, this one involving many questions around isolation/purification, characterization, culturing etc. of the alleged "COVID-19 virus". Here are the questions posed by the organization Librum (provided to me by a member) along with an automated English translation, and the response also with an automated English translation.

The Ministry's total evasion re-purification (and their admission that they don't even bother with useless monkey cell cultures) speaks volumes:

Clarification received:
Has the SarsCov2 been isolated and purified. To be proven scientifically and proven the virus causes disease.

Question 1:
Has Covid 19/21 been isolated?
Regarding SARS-CoV-2 the virus is not isolated.

Question 2:
Has covid 19/21 been purified?
Regarding SARS-CoV-2 it is not purified.

Question 3:
Has there been a risk assessment on masks?
The Department has and does risk assessments on masks.

Question 4:
Have all places of business who have mandatory masks done a risk assessment or should they do a risk assessment, in regards to masks? For their employees and customers.
While our aim is to provide information whenever possible, in this instance the Department of Health and Social Care ("the Department") is unable to provide the information that you have requested. This is in line with Section 11(3)a of the Act, as a practical refusal reason applies; namely we do not hold or cannot, after taking reasonable steps to do so, find the information that you have requested.

Places of business are responsible for undertaking their own risk assessments and setting their own policies for wearing masks.

To provide further advice and assistance guidance on face coverings, including 'face coverings at work' is available within the public domain at:
<https://covid19.gov.im/general-information/guidance-on-face-coverings/>

Question 5:
Is the sequence in the PCR test SarsCov2?
Yes, the sequence in the PCR test is SARS-CoV2

Question 6:
What amplifications has the PCR test been run at?
The amplification is 45 cycles.

Clarification received:
Has the SarsCov2 been isolated and purified. To be proven scientifically and proven the virus causes disease.

Question 1:
Has Covid 19/21 been isolated?
Regarding SARS-CoV-2 the virus is not isolated.

Question 2:
Has covid 19/21 been purified?

Question 3:

This time they went 1 step further: explicitly admitting that they have zero records that establish “ITs” existence.

They then went on to claim that “*scientists at the Victorian Infectious Diseases Reference Laboratory at The Peter Doherty Institute for Infection and Immunity were the first to isolate SARS-CoV-2 outside of China*”.

Perhaps the Ministry doesn’t know that The Peter Doherty Institute already admitted last year that isolation/purification “*relates to a process that is outside the scope of the usual operations at the Doherty Institute*” and that “*no documentation is available*”.

The CDC NOW Admits They DO NOT HAVE ANY
PURIFIED ISOLATED Viruses of Any Kind!

We made the request to the Center of Disease Control (CDC) for any evidence pertaining to ANY purified isolated virus, proving their existence by following the 'scientific method' of Koch's and/or Rivers Postulated for CoV – 2 and 19, MERS, Influenza, Polio, Measles, HIV, XMRV, HTLV-1, HTLV-III/LAV, HPV, Ebola, Zika, just to name a few of the so-called viruses, disclosed under the Freedom of Information Act (FOIA).

SAME FEAR, DIFFERENT YEAR

SAME FEAR, DIFFERENT YEAR

The request was made to **CDC/ATSDR FOIA Chief Officer Mr. Robert Andoh**, to locate and deliver ANY records, research and/or findings for ANY “viral” purification and isolation (by anyone, anywhere, anytime in the World) from a patient sample via maceration, filtration and/or the use of an ultracentrifuge or what is called the ‘Gold Standard’ for isolating and identifying a pathological micro or nana organism. The ‘**Gold Standard**’ for isolating and identifying the pathology of viruses or microbes is referred to as Koch’s and Rivers Postulates which was established many years ago.

Straight Forward Answers From the CDC FOIA CHIEF

There are “NO Records of Any Kind” For Any Virus!

The CDC Chief FOIA, Mr. Roger Andoh provided straightforward responses to each one of our requests, admitting in writing that they have NO RECORD of ANY KIND, for the following so-called phantom “viruses”,

including CoV – 2 -19, HIV, HPV, XMRV, HTMV-1, HTMV-111/LV, Measles, Influenza, MERS, EBOLA, ZIKA and POLIO!

After 2 years and an unknown number of “covid-19” arrests, etc., investigative masterminds at the **Royal Canadian Mounted Police** are now seeking **evidence** regarding the existence of “the virus”. However in keeping with their dismal FOI track record, they will require extra time (pg 19). Which is curious, given that RCMP FOI staff already confirmed on November 2nd that the RCMP doesn’t have the necessary **evidence** (pg 8):

FOI Act responses and court documents from 125 institutions (and counting!) in 20 countries:

Every institution has failed to cite a single record regarding the purification of the imaginary ‘virus’ from any patient sample, by anyone, anywhere, or proof of “its” existence.

The following FOIA response comes from the United States of America National Institute of Health on February 21st, 2021 on our request on December 7th, 2020!

For information about the SARS-CoV-2 genome sequence, see the NIH GenBank website (<https://www.ncbi.nlm.nih.gov/genbank/sars-cov-2-seqs/>), which includes over 44,000 sequences as of December 7, 2020.

On February 21, 2021, you requested the following information:

Can you please clarify if you have any records of the separation of SARS-CoV-2 from everything else (known as isolation and purification)? A simple yes or no will do regarding the answer. Please use the Merriam-Webster dictionary's common definition of [isolation](#). I will provide the definitions below:

isolation *noun*
 iso-la-tion | \ ˈɪ-sə-ˈlā-shən also ˈi- \
Definition of isolation
 : the action of isolating : the condition of being isolated

isolated *adjective*
 iso-lat-ed | \ ˈɪ-sə-ˈlā-təd also ˈi- \
Definition of isolated
 1 : occurring alone or once : **UNIQUE**
 2 : **SPORADIC**

isolate *verb*
 iso-late | \ ˈɪ-sə-ˈlāt also ˈi- \
Definition of isolate (Entry 1 of 3)
 transitive verb
 1 : to set apart from others
 also : **QUARANTINE**
 2 : to select from among others
especially : to separate from another substance so as to obtain pure or in a free state
 3 : **INSULATE**

The SME states the following:

The definition of "isolation" provided in the request is outside of what is possible in virology, as viruses need cells to replicate, and cells require liquid food. However, the SARS-CoV-2 virus may be isolated from a human clinical specimen by culturing in cell culture, which is the definition of "isolation" as used in microbiology, and as indicated in the previous round of response in the resources provided.

What is “IT”?

“IT” is the so-called ‘virus’! ANY VIRUS! “IT” doesn’t exist and virology isn’t a science!. “Virology” is a dark religion – The “Luciferian Church of Virology of Latter-day Demons” that “we the people” must exercise “blind-trust” and believe in or be destroyed!

War has been declared on the the American people and our government is the Attacker. I was recently on a panel discussion and we talked about peaceful, effective solutions to protect you and your family.

In this segment, I called out states and counties that are, as of today, have sheriffs and local officials defending the Constitution in their local communities.

Listen in to see if your state/county is mentioned. If not, you need to have a conversation with your Sheriff and maybe even get him signed up for my Sheriff training, to bring liberty and justice to your home town.
