Build your own world of online learning.

<http://slack.com>

Slack is where the future works

Slack is better together (no, really, it's a bit underwhelming by yourself), and it's easy to invite your team. Run a project, coordinate with your team, or just talk it out. Slack is a blank canvas for teamwork.

<http://discord.com>

Discord | Your Place to Talk and Hang Out

where you can belong to a school club, a gaming group, or a worldwide art community. Where just you and a handful of friends can spend time together. A place that makes it easy to talk every day and hang out more often.

podia
Everything you need to sell courses, webinars, downloads, and community.

<http://goodkarma.link/podia>

Podia - Sell online courses, downloads, webinars, and community.

With everything on a single platform, you don't have to choose just one type of digital product. Powerful marketing tools boost your sales, from pre-launch to post-purchase. "Podia is made by people who care about online creators (like me) and who want creators to succeed." Read more reviews →
